

KLAASSEN KOTTER 19.00

## BROKER'S COMMENTS

19-metre shuttle built by the famous Klaassen Kotter Shipyard, boat completely restored from bow to stern with all original parts. Rolls Royce engines landed and redone from the factory, with all original factory parts. It is a boat for true enthusiasts of Dutch-built vintage hulls. The boat is in excellent condition ready to sail, no work to be done.
