## BROKER'S COMMENTS

The X-45, a true family boat, is the most spacious 24 footer on the inboard market with its pickle-fork bow and huge wraparound seating creating enough room for 18 people, an offering unmatched by the competition due to their much smaller bows. Salt water edition (SS 45) with dual circuit cooling and engine flushing connection including fresh water tank. Only cruised in fresh water until May 2022, then in salt water, but always flushed after cruising. Only 181,5 hours. Sold by the second owner with a Riba trailer. Contact us for an appointment.
