## BROKER'S COMMENTS

The Hanse 370 is an innovative and timeless design. The modern interior offers lots of space below decks with three full size cabins and a big dinette in the salon. Nice bright woodwork, ample storage comfortable dimensions. The Hanse 370 deck layout with self-tacking jib and wheel steering makes her very easy to handle. Grey hull and white topsides so lots of possibilities to individualize your yacht. The Hanse 370 has to be considered to be a cross over yacht where comfort is key without compromising on sail performance.
