TENDER 8 MTR

BROKER'S COMMENTS

This tender was built by Multiplex from Germany. Solid and well built, ship has always been used as a tender on a superyacht and has only 225 operating hours. Furthermore, the ship has always been inside the garage which can be seen from the external condition. Convince yourself by viewing the ship. Ship is stored indoors in Hamburg (D). Dit schip wordt binnenkort geveild, sluitingsdatum 19 juli 2023, klik hier : https://bit.ly/Tender8mtr
