VAN GARSSE BAKDEKKRUISER 12.80

BROKER'S COMMENTS

Beautifully maintained classic Bakdekker 12.80 called "Taio". Originally this Bakdekker 12.80 was built by the Van Garsse yacht yard in 1968 and the "Taio" was completely refitted in 1991 while maintaining the beautiful classic lines. Furthermore, technical maintenance has not been left behind either and two new reliable Volkswagen diesel engines were installed in 2007. These two strong diesel engines make the "Taio" extremely suitable for long sea voyages or inland waterways.
