BAVARIA E40 SEDAN

BROKER'S COMMENTS

The Bavaria E40 Sedan stands for efficiency, economy and extra space. With her single, 300hp engine she is a comfortable sea-kindly vessel. The saloon layout is unique, with the helm located just inside the cockpit doors and living space and galley spreading out forward. The sheer amount of glass give excellent views out. She comes with a master cabin up in the forepeak with separate shower/toilet nestling just aft, and two, near-identical stern cabins with a starboard bathroom. Overall, a vessel that brings elegance to your cruising lifestyle! She can be seen in Denmark.
