GREENLINE 40

BROKER'S COMMENTS

The Greenline 40 open-plan saloon is big, bright and beamy. The natural light and the excellent visibility are also powerfully evident, with large vertical windows wrapping around the entire structure. Step back outside beyond the aft galley and you get a fold-down transom that increases the scale of the deck area. The clever foredeck means great headroom and light in the owners cabin. Stop by our marina to discover what else Ristretto has to offer, you will be surprised.
