FRANS MAAS CALYPSO 43

BROKER'S COMMENTS

This Calypso 43 of Frans Maas is solidly built and well maintained. Her layout and inventory list makes her equipped for long distance cruising and has received numerous renovations over the years. This cruising yacht with a very nice accommodation and a large amount of storage space below deck is suitable for a long life on board. She provides a safe and stable "platform" for the captain and crew, even in the most difficult conditions. In addition, the center cockpit with covered steering position is impressive, which can be closed completely with a cover in bad weather. A yacht to live on.
