JEANNEAU SUN FAST 3200

BROKER'S COMMENTS

"The Sun Fast 3200 is the concept of a racing and cruising yacht that perfectly balances speed and comfort. The interior is exceptional for a boat of this size. The galley, the chart table, the two double cabins and the washroom have been designed to make your life on board easier. The technical equipment has been designed to be functional and reliable above all. From 2011 to 2021 low use in the freshwater and light wind area Attersee/Austria. 2022 refit and equipment for offshore sailing, 2022 sailing trip from Slovenia, Adriatic Sea, Mediterranean Sea, Strait of Gibraltar and Canary Islands"
