## BROKER'S COMMENTS

The Hallberg-Rassy 40 is a long distance cruiser of highest quality. The boat is the result of the yard's long experience in boatbuilding. This has in the Hallberg-Rassy 40 been further developed to a discrete elegance. Without looking at trends, this is a modern yacht built to highest standards in respect of equipment and comfort. The current owner bought the yacht directly from the boatbuilder in 2003 and since then has taken very well care of his yacht until today.
