## BROKER'S COMMENTS

This Beneteau Oceanis 48 is a meticulously maintained blue water cruiser serving her first and only owner. Never been chartered, she had a complete refit in 2021 and regularly updated since. Fully equipped with latest electronics, Iridium, solar, lithium, water maker, wind generator, baby stay, storm sail, code 0, Parasailor, air heating, full set of spare parts and tools, teak deck, smart docking and much more! The large cockpit and the spacious stern platform combines catamaran-like living space with great sailing performance. Ready to go on her next adventure with the new owner.
