

WILLEM DE VRIES LENTSCH MOTOR YACHT

BROKER'S COMMENTS

This custom-built steel yacht by Willem de Vries Lentsch, in RINA class, beautifully retains the timeless charm of a classic yacht. Designed with a well-balanced layout and crafted using premium materials, she features two elegant salons and a spacious midship galley, ideal for entertaining or extended cruising. The accommodation area offers generous space and comfort, while the expansive bridge provides excellent visibility and seamless access to the surrounding many deck areas. Basics maintained with a very large maintenance refit in 2025 to ensure the classified seaworthiness.

Tue Simon Fasting
