SIRIUS 32 DS

BROKER'S COMMENTS

A pre-owned Sirius 32 DS is rare and that is a sure sign of the quality of this boat, as about 100 of this model have been produced by the reputable Sirius Werft in Germany. The Sirius 32 DS offer a surprising amount of space and comfort for her size and has an often sought deck saloon. The owner of this Sirius 32 DS has invested in many important items such as sails, rigging, upholstery, electronics etc., since he purchased her in 2021. Come and see her for yourself at De Valk Zeeland!
