BLOEMSMA KOTTER 10.50

BROKER'S COMMENTS

This aluminium-built Bloemsma Kotter was launched at the renowned yard in 1996. The vessel was built with the aim of making long voyages quickly and comfortably. Equipped with a new engine, completely repainted, fitted with a new Webasto CV, the batteries renewed and the upholstery and curtains were also renewed. The Bloemsma currently still has both masts and rigging, but these can easily be dismantled.
