BENETEAU OCEANIS 43

BROKER'S COMMENTS

"Admire one of the best kept Beneteau Oceanis 43. One owner from new, used for light family cruising, no charter. Excellent technical condition, very well maintained and no costs spared. Besides all the comfort offered, the owner did several solo trips, what proves the fact this 43 is easy to sail single handed or with a small crew. Look at the fantastic new winter tent, to be stripped down and converted into a nice bimini for summer, great with even glass protection covers. She comes with normal engine hours, a nice set of sails, new bow thruster, recent batteries, new anchor. Ready to go!"
