MANGUSTA 92

BROKER'S COMMENTS

This 2nd owner model 92 of the Mangusta with Kamewa jet propulsion is the top model of the shipyard. The spacious layout is big enough for operating a 5-star service while being able to anchor in shallow waters. The beautiful aft deck leads into the very large open salon. Below deck you will find the 4 in-suite cabins with the finest touch in materials in mint condition. The well-equipped crew area and galley lie in the stern, next to the engine room. Engines in good condition and systems very well maintained by a very experienced captain and crew on a yearly basis.

Alan Deasti
