BROKER'S COMMENTS

This 2nd owner model 92 of the Mangusta with Kamewa jet propulsion is the top model of the shipyard. The spacious layout is big enough for operating a 5-star service while being able to anchor in shallow waters. The beautiful aft deck leads into the very large open salon. Below deck you will find the 4 in-suite cabins with the finest touch in materials in mint condition. The well-equipped crew area and galley lie in the stern, next to the engine room. Engines in good condition and systems very well maintained by a very experienced captain and crew on a yearly basis.

Eric Lamers
