OOSTVAARDER 900 HYBRIDE

BROKER'S COMMENTS

Every now and then, a unique yacht comes onto the market, incorporating modern technology in a surprising way, such as this aluminium Oostvaarder with a hybrid drive. With its leather-trimmed touchscreen dashboard, walnut interior and tastefully comfortable furnishings including a leather sofa and driver's seat, the boat is fully up to modern standards. Nothing has been spared on this unique boat, the only thing missing is the engine noise!
