FREEDOM 40

BROKER'S COMMENTS

Freedom 40 shows a unique and outstanding yacht concept: Due to her carbon masts she can avoid to use any form of standing rig. Just set the sails around the masts and hoist them. Couldn´t be more easy. The boat is roomy with a large aft house for 2 berths rear of the center cockpit. Saloon, galley and navigation show a classical layout. Give this boat the love and care it needs and it is for sure going to pay back with outstanding sailing and a lot of aaahs and ooohs in any marina. Located in northern Germany.
