SINERGIA OPEN 40

BROKER'S COMMENTS

The Sinergia Open 40 is a hidden gem in the Mediterranean market, crafted by the renowned Spanish shipyard Sinergia, famous for building Volvo Ocean Race yachts. This 2005 model stands out for her uniquely spacious interior layout featuring two large cabins, each with own en-suite bathrooms which is rarely found in a 40ft sports cruisers. Comparable in style and purpose to the Fairline Targa 40 or Princess V40, the Sinergia Open 40 goes a step further in terms of interior finish and quality of joinery and woodwork. Not to be looked past, this vessel is in exceptional condition!
