VAN DER VALK EXPLORER 27M

BROKER'S COMMENTS

This beautiful explorer yacht has been built in 2017 and commissioned in 2018 after the current first owner decided to extend the yacht by 2 metres in length to obtain a larger lazarette. The hull, propulsion, cockpit and flybridge have been extended at the original Van der Valk shipyard in The Netherlands. Maintained to high standards by the experienced crew and stored in a covered hangar every winter, M.Y. 'Seawolf Explorer' is in mint condition throughout. Privately owned and EU-Vat paid, she is ready to go.
