

## SCORPION 40

## BROKER'S COMMENTS

This handcrafted Scorpion Yacht in Ibiza boasts a modern open design and spacious lounge area. It is ideal for day trips to nearby beaches and provides the ultimate in elegance and comfort for sunbathing. Its hidden outboard engines make beaching simple. Each Scorpion Yacht is built with aluminium making it 50% lighter, so less petrol is needed, not flammable and it lasts twice as long compared to fibre glass. Scorpion built yachts with low cost of ownership and simple technique and very easy to maintain.
