BIANCA 420

BROKER'S COMMENTS

The Bianca 420 stands for Scandinavian quality. The hand laid hull improves the indoor climate which makes it suitable for both hot as cold environments. Combined with the deep keel, the boat feels at home in larger waters and seas. Over the last few years the caring owner made some big improvements to keep the 'lady sunshine' in shape. The Bianca 420 can be visited on appointment in Murter, Croatia.
