HALLBERG RASSY 40C

BROKER'S COMMENTS

The all-new Hallberg-Rassy 40C moves the limits for what is possible to achieve in a yacht up to 40 ft. The new 40C is equivalent to the 44c when it comes to saloon, aft cabin, galley and a cockpit that has exactly the same measurements as on the 44, fantastic sailing performance and the success is assured. With the enormous galley you get both increased work top area, increased galley storage and an additional, front opening, fridge. The interior has a lot of volume and is bright and airy, with large portlights for generous natural light. In like new conditions, ex HR demo boat.
