## BROKER'S COMMENTS

Elegant & luxury 100 f M/Y, designed by the Italian naval architect Stefano Reghini. She was constructed in Viareggio, Italy and she has been refitted recently. The engines were overhauled in 2023 and many other repair works and upgrades were done in the engine room and to the whole of the yacht. Present owner has invested a lot to keep her at top condition, Definitely well worth buying.
