## BROKER'S COMMENTS

Well equipped coastal cruiser Halvorsen 32 Flybridge Trawler. She sports a quite unique two cabin layout with enlarged bathroom. We sold this Halvorsen 32 in 2021 for her first owner and she has been cruising in the Baltic with her second. He also had a lot of extra equipment installed so "turnkey ready" for her new owner. The interior woodwork in solid teak and sturdy grp construction of these trawlers is much appreciated. For outside entertainment you will appreciate the large open cockpit and flybridge. Waterways cruising at 5-6 knots or coastal hopping at 15 knots, it is all possible.
