ELLING E3

BROKER'S COMMENTS

This Elling E3 was built by the renowned Dutch shipyard Elling Shipbuilding B.V.. Elling motor yachts are known for their safety, seaworthiness, and high level of comfort. Thanks to its shallow draft and well-thought-out layout, this yacht is perfectly suited for both inland and offshore waters. The Elling is very fully equipped, featuring double glazing, electric bow and stern thrusters, and a generator. Viewing is available daily at our sales marina in Loosdrecht, 7 days a week.
