GULET 20 M

BROKER'S COMMENTS

This beautiful classic Gulet was traditionally built in 2012 in Turkey using 35mm teak planking over mahogany framing. Strong, reliable and very economical 244bhp Deutz Marine Diesel engine with less than 2000hrs. She run as successful commercial charter vessel around the Med for the past 5 years. Hauled out yearly for commercial survey inspection and normal routine maintenance. She has 4 double cabins all with ensuite bathrooms and 1 crew cabin, large galley and salon, with huge couches aft with alfresco dining, plus large sundeck with “sunbrella” sun shade.

Diego Cerasi
