HELLEMAN STEEL KETCH CASCO 24M

BROKER'S COMMENTS

This very large sailing yacht was designed by J.H. Helleman and further drawn by Gaastmeer. Resembles the well-known Dutch yachts Jongert, Nordia and Trewes. The hull was made by the first owner himself and then sold. She was recently painted in primer and includes a new engine. An excellent opportunity if you want to build a beautiful and solid yacht. This yacht will be auctioned online at https://bit.ly/Helleman' and can be vieuwed in The Netherland / Limburg
