## BROKER'S COMMENTS

"Introducing Alexandra - A Baltic 51 Classic A vessel built in 1982 as one of a limited edition of twenty-four, Alexandra represents a marriage of design and quality, a true queen of the seas. This Baltic 51 is more than a yacht; it's a fast, comfortable performance cruising vessel challenging the boundaries between ocean racing and leisurely cruising. Crafted in collaboration with CC Design, the Baltic 51 showcases a balance of speed, comfort, safety, manoeuvrability and great righting moment. Alexandra demonstrated this by winning the cross-Atlantic race ARC+ in 2022 with a family onboard."
