

HOLLANDKREUZER GEBR. VISCH HOLLAND

BROKER'S COMMENTS

This yacht is a vintage ship - in its best form. The spacious mohogany wood interior, teak deck and steel hull construction epitomise durability and are easy to maintain. All ship-related systems and components have been restored/overhauled and have been kept in good condition ever since. The propulsion engines, auxiliary units, electrics and pump/tank systems have been dismantled and rebuilt.
