MAKMA COMMANDEUR

BROKER'S COMMENTS

Herewith we offer a beautifully lined Makma Commander. This sloop has an over seam polyester hull with a teak interior and trim. This Makma is a great opportunity for someone looking for a classic sloop with modern features. The engine has electric controls, which makes boating very easy. In addition, the sloop is equipped with a boiler for hot water. This ship can be visited at our sales marina in Loosdrecht.
