SUNSEEKER PREDATOR 58 HT

BROKER'S COMMENTS

Sunseeker Predators are trendsetters for elegance, quality and performance in the 50-foot plus category. "NEPTUN" has long and slender lines that have aged very little. She has a brand-new folding sunroof on her hard top, original gel coat in super condition, recent bottom paint, engines in mint condition, and, in general, an immaculate maintenance history by a demanding owner on a daily basis. The large aft deck with a sunbed area, the sitting area with a grill kitchen, and the well-laid-out accommodation area below, assure high-end comfort. Just came back from a cruise around Mallorca.
