MOODY 54

BROKER'S COMMENTS

A very beautiful big cruising yacht designed for Moody by Bill Dixon. This recently refitted Moody 54 with center cockpit is remarkably strong, but still light enough to perform at long distances. A spacious and a very comfortable layout above and below deck. A forgiving cruiser with lots of comfort. The yacht just went through a very large refit with new interior woodwork and floor, new Yanmar 110HP engine, new electrical wiring, new teak decks and lots of new equipment. Everything very neatly made, giving the impression of a new boat in many aspects. For more details contact the broker.

Tue Simon Fasting
