## BROKER'S COMMENTS

The Leopard 45 is a very comfortable and strong sailing catamaran. This specific model is a used catamaran but has been well maintained throughout its life. With blue capabilities this pre-owned catamaran is perfect for live aboard or charter. This Leopard 45 can be sailed singlehanded with no troubles. This catamaran has 3+1 double cabins with en-suite heads, with electric heads and faucet showers, and is central air conditioned. The saloon area is very open and comfortable with a large u shaped sofa. She is Australian flagged and Australian tax paid.
