VERHOEVEN 1800

BROKER'S COMMENTS

The 'Verhoeven 1800' is the ideal yacht for living aboard or making longer trips. The kitchen is located between the saloon and the cockpit, creating a nice living space in both areas. Besides having a spacious saloon, the 'Verhoeven 1800' also has 2 spacious cabins below deck. Both cabins are equipped with their own facilities. The 2 main engines in combination with the bow & stern thruster make mooring a lot easier.
