She started her life as a fishing trawler, now converted to her current live onboard motor yacht keeping her in style with her true offshore heritage. In recent years a lot has been done to bring her into her current condition. She comes fitted out for live aboard purposes and has accommodations to spare. Ideal for family or (paying) guests up to 11 persons in total. She support multi-level salon, pilothouse, office and sleeping areas. The engine room has ample space and so does her tankage and is true long range up to 5000 nm.
