## BROKER'S COMMENTS

The Beneteau Oceanis 60, designed by Berret Racoupeau / Nauta Design, is a spectacular boat. Very suitable for making beautiful trips and a great place to stay. Easy to handle with two steering wheels, E-winches, autopilot, bow thruster and a strong engine. Well equipped with B&G navigation equipment. The interior has a friendly staircase down to the salon, which is light, comfortable and spacious with good ventilation. A beautiful master cabin and two guest cabins all with private bathrooms. Location Pescara, Italy.
