## BROKER'S COMMENTS

Get to know the Pilot 44 "USE". This Pilot is being sold by its first owner, who has owned this robust ship since 1997. It was built by VDL Shipyards to a design by Willem Nieland. Due to its dimensions and CE-B certification, this Pilot 44 is extremely suitable for sailing on coastal and inland waters. The Use was sandblasted and repainted in 2018. The "USE" is easy to maneuver thanks to its bow thruster. Thanks to the spacious layout and extensive equipment, such as the built-in generator and central heating, this Pilot 44 offers sufficient comfort for a long-term stay on board.

*Hartmut Ross*
