WATERDREAM S-850 SPEEDSTER

BROKER'S COMMENTS

Are you looking for a spacious, fast sailing and maintenance-free sloop? Then come and take a look at this Waterdream S-850 Speedster. Thanks to her aluminium hull and self-draining cockpit, she is as good as maintenance-free. With her 300 hp outboard engine in the bun, she achieves good performance. Manoeuvring is made easy by a bow and stern jetthruster. Would you like to take a look at her? Then drop by our covered sales marina.
