BAVARIA S29

BROKER'S COMMENTS

The design of the BAVARIA S29 tells you that this is a yacht with a great deal of power and sporting ambitions. She is ideal for drivers who like to go fast on the water and has an ergonomic helmstand with a clean layout. Together with a bow thruster she is easy to maneuver. Gasoline expensive? No, considering the much higher purchase price of a diesel version. These engines are quiet, cleaner and more powerful. This Bavaria S29 is moored at our sales office in Sint Annaland and we are open 7 days a week!
