## BROKER'S COMMENTS

Under sail the Lagoon 440 is surprisingly quick. It is beautifully built, the layout is perfect for family cruising with 4 cabins, extra bunks and 3 heads, and it's fun to sail. A benefit of the fly bridge is that the cockpit transforms into a lovely and uncluttered entertainment area. There is also a console to port with a wet bar. The nav station in the salon allows you to run the 440 from inside, using either the joystick or autopilot. EduKat has been continuously maintained and been used as a Danish government sponsored educational boat for children. Available for viewing in South Spain.
