# FEELING 416

## BROKER'S COMMENTS

The Feeling 416 has excellent sailing characteristics. Due to the low structure, there is a lot of space on deck, which has recently been fitted with Flexiteek (synthetic teak), as well as in the cockpit. The spacious interior is light, good visibility all around, practical galley, large seating area in the salon, navigation table, 3 cabins, 2 bathrooms (with toilet and shower) and plenty of storage space. Equipped with Webasto, boiler, life raft, chart plotter, AIS, solar panels, 4x battery (New in 2021), electric winch & windlass. The Feeling 416 can be viewed on shore in Sint Annaland.

*Jan-Ward van Dantzig*
