GILLISSEN KOTTER 1800

DE VALK  
YACHT BROKERS

## BROKER'S COMMENTS

'Noorderlicht' is a solid built and sturdy looking Gillissen kotter that was built only thirty years ago. Her current owner has been upgrading the yacht during the last couple of year to adapt her to the new millenium. A beautiful designed hull with large fuel- and watertanks, double engines, generator and back up systems for every piece of navigational equipment, make her very suitbale for long range cruising at sea.

*Mark Hesselmans*
