KOOPMANS 40 CENTREBOARD

BROKER'S COMMENTS

The famous Koopmans designs are widely appreciated for their design and seaworthy sailing characteristics. Dick Koopmans Sr. is the designer who put custom centerboard yachts on the map. Dozens of his designs have proven themselves in the meantime. This 40-footer offers a slightly raised deck and a bit longer hull offering more headroom and space than the standard version. Since 2002, she has been owned by the 2nd owner and has proven herself on beautiful and safe sailing trips to all kinds of areas. A real all-rounder and lovely yacht for new distant, both deep and shallow water, horizons
