JEANNEAU 54

BROKER'S COMMENTS

The Jeanneau 54 is a luxurious, comfortable and dynamic yacht impressing by the elegance of her design, which invites both relaxation and performance. You will take great pleasure in sailing on the 54, which has been very well thought-out and finely built by Jeanneau for power and comfort. Everything is really simple when steering this large offshore boat which includes a space dedicated to navigation with twin wheel steering stations, a friendly and comfortable space around the big cockpit table and a beautiful relax area, while offshore or coastal cruising. Ex Charter boat from Olbia.
