BROKER'S COMMENTS

Looking for a boat that will turn heads? A simple, small and versatile boat? Then the minitroll is for you! The "Nomad" has a shallow draft (0.95 m) that allows it to navigate in most waters. Moreover, thanks to its hull and its three-plane shape (bi-keel + rudder), it can run aground on beaches with ease. To be viewed by appointment!

Jochem Heijermans

SPECIFICATIONS
