#### **BROKER'S COMMENTS**

Looking for a boat that will turn heads? A simple, small and versatile boat? Then the minitroll is for you! The "Nomad" has a shallow draft (0.95 m) that allows it to navigate in most waters. Moreover, thanks to its hull and its three-plane shape (bi-keel + rudder), it can run aground on beaches with ease. The Meta Minitroll 27 is being auctioned online at Bright Auctions. Bids can only be placed via Bright Auctions. All auction information can be found at: <a href="https://bit.ly/3LaZwHI">https://bit.ly/3LaZwHI</a>
