PATAGONIA 39

BROKER'S COMMENTS

Mikeno VI was designed by Claude Philippe and built in Brittany, France by Laïte Sailing who specialise in steel and aluminium construction. She has been totally refurbished since her purchase in 2018 (recently painted), with an extensive list of new sails, equipment and electronics installed including a new engine all amounting to some €60,000. She is self-sufficient, stable and solid; suited for long distance cruising in any waters. The current owner has an amazing and detailed history of updates made and voyages completed since purchasing her. (https://mikeno.fr)
