JEANNEAU MERRY FISHER 925

BROKER'S COMMENTS

The Merry Fisher 925 is the perfect boat for cruising. The functional design draws inspiration from spirit of Nordic boats, the spaciousness of flybridge yachts and the comforts of a trawler. The finished product is a boat that is particularly attractive and efficient. Perfectly adapted engines, straight shaft drive, the presence of a keel for beaching and an interior layout conceived to be functional (double bench at the helm, 2nd cabin) are just some of the key features that ensure total comfort while aboard this coastal cruiser.
